RINEHART FOUND GUILTY ON ALL COUNTS AND SENTENCED TO THE PENITENTIARY

**FIFTEEN YEARS
FOR THE FORMER
WAYNESBURG MAN**

**Understood That Rinehart
Will Not Appeal Case But
Will Serve Out Time In
The Western Penitentiary.**

Pittsburg, Jan. 15.—(Special Telegram from Afternoon News Bureau)—Former Cashier J. B. F. Rinehart of the Waynesburg Farmer's and Drivers bank was sentenced today at noon to 15 years in the Western Penitentiary. This was on two indictments.

The jury brought in a verdict this morning convicting the man on all counts. He was sentenced on indictment number 37, and number 38. Mr. Rinehart will it is understood not take an appeal.

The case has occupied several days time to try and was finished yesterday afternoon. The charge was given to the jury by Judge James S. Young. The jury room was closely guarded, and two men were caught trying to approach the jurymen. Both of these were from Greene county.

The case has caused much excitement and the verdict of guilty and the sentence is hailed with delight by those from whom he is alleged to have cheated and stolen funds.

Coal Center Bank Closed

This morning the doors of the Bank of Coal Centre were closed, and James M. Cover, a State Bank Examiner has taken charge. The shutting down of this institution has been expected for sometime. It has only been open for the past three or four years, and was not regarded as a strong bank. No one will lose anything, as the affairs are in fairly good shape.

The officers of the bank are R. B. Drum, president and Cliff Drum, cashier. The institution is a very small one. The reason that is given for the closing down is that it could not do sufficient business in the place and successfully compete with the California bank, and the fact that a few bad loans had been made.

The stockholders are all reliable men, and while they refuse to give out much information regarding the closing of the doors, state positively that there will be no one lose anything, and as soon as affairs can be gotten in shape the distribution of funds to the depositors will begin.

Line is Completed Today To Pittsburg

Today the Charleroi Telephone company's line to Pittsburg was completed and it is thought by sometime tonight it will be in general use. This is by the way of Donora. The finishing up of the new line is regarded as important for the fact that it will be a direct connection with the city. At present there is three ways by which subscribers of the Charleroi Telephone Co. can reach Pittsburg, but

this will be the most direct line and much good will be realized from its completion.

Upon the completion of the Air line of the Independent company to Washington, still another means of reaching the city of Pittsburg will be completed, so that most efficient service can be given at all times. The rates on the new line that was opened up today will be the same as before.

THE STRANGE DISAPPEARANCE OF MRS. SMITH

Mrs. J. P. Smith, who for some time past until a few days ago posed as a spiritualistic medium at a place on Fallowfield avenue near Fourth St. has disappeared owing to the strenuousness of the local police and their inquiring minds. Recently information was made against her by Chief of Police Albright for fortune telling. He had almost positive information against the woman, not only that she was telling fortunes for which she charged a dollar, but also for practicing medicine, without a license. The warrant for her arrest was placed in the hands of Constable Stablein for serving. The matter was kept as quiet as possible, but despite this fact when Mr. Stablein went to the place to make the arrest the woman warned by some of her friends, had disappeared, and to this day has not been located. It is thought that she is in Monessen. Fortune telling is a direct violation of the law, and strictly prohibited by the statutes of the town.

DIRECTORS WILL MEET TONIGHT

The directors of the Charleroi Amusement company have as yet failed to come together in the matter of placing a polo team in this place. They will probably meet and take definite action tonight.

Italian Arrested For Running Speakeasy

Detectives Cummins and Milsted of Washington were in Charleroi yesterday to arrest an Italian of this place on the charge of running a speakeasy. They secured the aid of Constable Stablein and with him went to 1141 Prospect Alley where they caught the man. He was taken after some trouble to Washington where he will be given a hearing later.

The man's name is not given. It is stated that he had been in the habit of going from place to place and remaining in each a matter of some three months or so, conducting his business in defiance of the law, then quietly slipping out when matters be-

came a little warm for him, and going to another place. It is said that he came here from Washington. The arrest was made at about 5 o'clock.

The man made a desperate attempt to escape and would perhaps have succeeded if it had not been for handcuffs which were attached to his wrists. Immediately after the party had left the house he succeeded in breaking away and started on a run. He did not go more than ten feet or so when his foot caught and he fell. On account of the handcuffs interfering with his movements he was unable to arise and proceed.

California Stores Are Robbed Last Night

Last night at California there were robberies committed in two stores those of William Penrod and Bert Humphries. At the former place there was a quantity of clothing taken, and at the latter some money and other material.

Penrods store is a clothing establishment, and the latter is a restaur-

ant and confectionary store. At the former there was no money taken but clothing to the amount of \$350 stolen. At Humphries place \$10.50 was taken, a plum pie and a package of Five Brothers tobacco. In the latter place entry was made through a rear window.

NO MEETING OF BASEBALL MEN

The meeting of the directors of the Charleroi Baseball club and interested citizens which was to be held last evening in the Bank of Charleroi hall had to be postponed on account of the lack of attendance. There were only a few showed up, and it was impossible to call the meeting to order. It was then postponed until a later date.

It is the desire of the directors to get together with the "fans," before the twentieth of this month, on account of the meeting of the league on the latter date at Uniontown. The purpose of the convention is to learn what plans can be made for baseball in Charleroi this year, and make preparations for the league meeting. Another meeting will probably be called for Monday or Tuesday.

McGaughey.
C. L. McGaughey, train master at the West Brownsville Junction, P. R. R. and a well known figure along the Monongahela Valley died last night at 12:20 o'clock of liver and kidney complaint, of which he has been ill for a few weeks. He is survived by a wife, two sons and two daughters, one of the latter married and living in Homestead. He was a member of the Charleroi lodge of Elks. Funeral services will be held tonight at the late home in West Brownsville at 8 o'clock, by the lodge.

FOR RENT—Modern flat to small family. Also centrally located store room. T. D. Williamson. 13242p

LOST—Small package containing 2 pairs of black silk stockings. Reward will be paid if returned to 165 Daily Mail. 13122p

New Building To Be Erected at Donora

At a meeting of the Donora school board to be held on Wednesday evening of next week plans will be decided upon for the new school building to be erected in that place in the near future, to accommodate the ever growing number of pupils. At present the schools of that place are overtaxed, and it is absolutely necessary that some arrangements be made to take care of the children.

A meeting was held by the board on Wednesday evening of this week

and the matter briefly discussed. It was found that a building of at least ten rooms would be needed. Architect J. C. Brenton of Charleroi and A. P. Cooper of Uniontown were present and submitted plans of other buildings of this district. It is probable that a structure something on the order of one of the Charleroi buildings will be erected. The cost will be in the neighborhood of \$40,000, there being a bond issue to secure this amount.

WAS AT SUIT OF SMITH, HIMSELF A COUNCILMAN

**Condition of Hillman Street: Is
The Cause of Trouble, It
Being Claimed That High-
way Was In a Terrible
Condition.**

Information was made yesterday before Alderman E. N. Dunlap, of Washington, charging all of the Councilmen of Monongahela with maintaining a nuisance and failure to repair Hillman street in this city. The warrants were given to the constable and it was served on the city fathers this evening.

E. E. Cummings, the Washington constable, makes the information on information received and believed to be true and states in his allegations that Hillman street is one of the streets of the city and that although the councilmen are regularly elected by the voters of the city and under their oaths are in duty bound to keep the streets in good condition, they wholly failed to do so and that Hillman street "has been allowed and suffered to become impassable, muddy, rough, broken and obstructed."

The street has been the subject of much discussion in the city Council and the city been compelled to pay damages on several occasions. The street committee has been ordered to fix the street, several times, but have failed to do so. It is alleged that the bond of the Councilmen have been fixed at \$100.00 each and they are expected to go before one of the Monongahela alderman and waive a hearing and give bail for the February term of the criminal court.

Following are the members of council, all of whom are named in the indictment: First ward—William Isaacs, John Smith, John Brody and Joe Messer; Second ward—H. K. Bentley, Frank E. Yobe, Jr., Theodore Landefeld, president of council, and W. A. Caldwell; Third ward—Frank R. Calvin, William Stephen, Mac Connor and H. D. N. Loutitt.

FIRST NIGHT OF VAUDEVILLE SHOW

Heaton and Vandergould's show will be produced at the Turner hall tonight, and tomorrow night. These two as every one knows are talented performers, and cannot fail but to take in their particular lines of work. Mr. Heaton will balance an entire bedroom set, and Mr. Vandergould will besides his usual tricks have a mind reading act, and will escape from a casket. Harry Sait will appear with them and the Brown family of Pittsburg be here with their musical act.

Notice.

There has been a report circulated that I have withdrawn in the race for the Republican nomination for Burgess. This report I wish to deny and state that I will be a candidate until the finish and respectfully solicit the support of all. If elected I will give the office my very best attention and if defeated will take it gracefully and thank all for the support given me. 12311 John Majors.

GOOD NUMBER OUT TO SERVICE

A large congregation was in attendance at the First Christian church last night to hear the pastor speak on the theme, "What Must I do to be Lost."

Mr. Hunter, sang a very impressive solo, and the choros singing was grand. When the invitation was given, five came forward to make the confession and one united with the congregation by statement. From the splendid attendance notwithstanding the fearful weather conditions, and the ready response, on the part of all, we anticipate a great meeting.

MARRIAGE LICENSE WAS RETURNED

A marriage license was returned to the clerk of court's office yesterday from Charleroi. It had been issued but recently. There was no letter accompanying the license to tell why it was returned. A note attached said "marriage dissolved by death of Joseph Cibula's wife."

The license had not been used, and whether that note meant that the woman Cibula had intended to wed had died, cannot be told. It is assumed that that is what was meant. The parties were Joseph Cibula and Anna Ruptak. Their residence was given as Walton.—Observer.

The New Hospital.

Charleroi people should feel much
interested in the hospital movement
at Monessen, for which a location was
sited recently. It is to be a hospital not
for Monessen alone but Charleroi as
well and people of this place can be
treated there. It is sort of a two-
town affair with Monessen given the
advantage on account of most of the
backers being men of that place, who
consider that it is a more central
point for all whom it will benefit
than Charleroi. The claims made
that people from Charleroi, and other
places along this side of the river
can go to Monessen very easily, much
more so than residents on the east
side of the river could come to Char-
leroi. It makes no difference where
it is to be located, the motive is the
same, a desire to do some good, and
have a place where the injured and
sick can be taken without a rough and
wearisome journey to Monongahela or
at the most Pittsburgh. Good physi-
cians will be placed in charge, and it
is the intention to make it one of the
best hospitals along the Monongahela
valley. For this however it will take
money and this has to be raised by
popular subscriptions. In such a
worthy movement there should be no
trouble however.

FOR TAX COLLECTOR Of Charleroi G. W. Dawson

Subject to the decision of the
Republican voters at the
primary election Saturday,
January 23, 1909

G. W. Dawson, who seeks the Republican nomination for
tax collector for the Borough of Charleroi, has had a business
career which amply qualifies him for the position. He served
three years as clerk on the packet line between Pittsburgh and
Morgantown, after which he was promoted to general agent at
the Pittsburgh offices. He filed this position two years and was
again promoted, this time to superintendent of the line. After
a year's service in this capacity he was obliged to give up in-
door work on account of failing health. For the past three
years he has been located in Charleroi, where his family resided.
Mr. Dawson has always been a Republican and worked
for the interests of the party and good citizenship. If nomi-
nated and elected he can give his exclusive time to the duties
of the office, and is fully equipped to administer it in the in-
terests of the borough and all concerned.

A Polo Team.

The question of placing a polo team
in Charleroi is being discussed by
people of this place and there are
efforts being made by the manager of
one of the best teams in the West
Penn Polo league to complete arrange-
ment with the Charleroi Amusement
company to bring the team from
Washington to this place which should
meet with great success. Polo is a
sport that takes wherever it is played,
and is intensely interesting. It is in
a way similar to hockey. Should the
team in question be brought to this
place and it is to be hoped that it
will, it is predicted that it will in
time become one of the best sports of
the town.

THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this
terrible disease? It prevails in that
far-away country—Africa—especially
the Congo district. It is caused by
the bite of the tsetse fly. When it
bites a person, the sleeping symptoms
begin and finally the sufferer sleeps
until death occurs.

Contrast this with the peaceful,
balmy sleep of health. Is there any-
thing more wearing than to lie awake
at night, tossing about, nervous, with
cold feet, hot head and mercy knows
what else? Short of letting the tsetse
fly bite us we would do almost any-
thing for relief. How can we pre-
vent it? Mr. George Hayes, of
Union City, Pa., writes: "I had lost
my appetite, was all run-down, could
not sleep nights. I had tried every-
thing without relief. Vinol was re-
commended, and to my surprise, it
helped me at once; gave me a splendid
appetite, and now I sleep soundly."
What Vinol did for Mr. Hayes, it will
do for every run-down, nervous and
overworked person who cannot sleep.

RINEHART FOUND GUILTY ON ALL COUNTS AND SENTENCED TO THE PENITENTIARY

FIFTEEN YEARS FOR THE FORMER WAYNESBURG MAN

Understood That Rinehart Will Not Appeal Case But Will Serve Out Time In The Western Penitentiary.

Pittsburg, Jan. 15.—(Special Telegram from Afternoon News Bureau)—Former Cashier J. B. F. Rinehart of the Waynesburg Farmer's and Drovers bank was sentenced today at near noon to 15 years in the Western Penitentiary. This was on the indictment.

The jury brought in a verdict this morning convicting the man on all counts. He was sentenced on indictments number 87, and number 40. Mr. Rinehart will it is understood not take an appeal.

The case has occupied several days time to try and was finished yesterday afternoon. The charge was given to the jury by Judge James S. Young. The jury room was closely guarded, and two men were caught trying to approach the jury. Both of these were from Greene county.

The case has caused much excitement and the verdict of guilty and the sentence is hailed with delight by those from whom he is alleged to have chanced and stolen funds.

Coal Center Bank Closed

This morning the doors of the Bank of Coal Center were closed, and James M. Cover, a State Bank Examiner has taken charge. The shutting down of this institution has been expected for some time. It has only been open for the past three or four years, and was not regarded as a strong bank. No one will lose anything, as the affairs are in fairly good shape.

The officers of the bank are R. B. Drom, president and Cliff Drom, cashier. The institution is a very small one. The reason that is given for the closing down is that it could not do sufficient business in the place and successfully compete with the California bank, and the fact that a few bad loans had been made.

The stockholders are all reliable men, and while they refuse to give out much information regarding the closing of the doors, state positively that there will be no one lose anything, and as soon as affairs can be gotten in shape the distribution of funds to the depositors will begin.

Line is Completed Today To Pittsburg

Today the Charleroi Telephone Company's line to Pittsburg was completed and it is thought by many tonight it will be in general use. This is by the way of Donora. The finishing up of the new line is regarded as important for the fact that it will be a direct connection with the city. At present there is three ways by which subscribers of the Charleroi Telephone Co. can reach Pittsburg, but

this will be the most direct line and much good will be realized from it's completion.

Upon the completion of the Air line of the Independent company to Washington, still another means of reaching the city of Pittsburg will be completed, so that most efficient service can be given at all times. The rates on the new line that was opened up today will be the same as before.

THE STRANGE DISAPPEARANCE OF MRS. SMITH

Mrs. J. D. Smith, who for some time past until a few days ago posed as a spiritualistic medium at a place on Fallowfield avenue near Fourth St. has disappeared owing to the strenuousness of the local police and their inquiring minds. Recently information was made against her by Chief of Police Albright for fortune telling. He had almost positive information against the woman, not only that she was telling fortunes for which she charged a dollar, but also for practicing medicine, without a license. The warrant for her arrest was placed in the hands of Constable Stablein for serving. The matter was kept as quiet as possible, but despite this fact when Mr. Stablein went to the place to make the arrest the woman warned by some of her friends, had disappeared, and to this day has not been located. It is thought that she is in Monessen. Fortune telling is a direct violation of the law, and strictly prohibited by the statutes of the town.

DIRECTORS WILL MEET TONIGHT

The directors of the Charleroi Amusement company have as yet failed to come together in the matter of placing a polo team in this place. They will probably meet and take definite action tonight.

Italian Arrested For Running Speakeasy

Detectives Cummins and Milsted of Washington were in Charleroi yesterday to arrest an Italian of this place on the charge of running a speakeasy. They secured the aid of Constable Stablein and with him went to 1141 Prospect Alley where they caught the man. He was taken after some trouble to Washington where he will be given a hearing later.

The man's name is not given. It is stated that he had been in the habit of going from place to place and remaining in each a matter of some three months or so, conducting his business in defiance of the law, then quietly slipping out when matters be-

came a little warm for him, and going to another place. It is said that he came here from Washington. The arrest was made at about 5 o'clock.

The man made a desperate attempt to escape and would perhaps have succeeded if it had not been for handcuffs which were attached to his wrists. Immediately after the party had left the house he succeeded in breaking away and started on a run. He did not go more than ten feet or so when his foot caught and he fell. On account of the handcuffs interfering with his movements he was unable to arise and proceed.

California Stores Are Robbed Last Night

Last night at California there were robberies committed in two stores those of William Penn and Bert Hamphreys. At the former place there was a quantity of clothing taken, and at the latter same money and other material.

Penn's store is a clothing establishment, and the latter is a restaurant and confectionary store. At the former there was no money taken but clothing to the amount of \$250 stolen.

At Humphreys place \$10.50 was taken, a plum pie and a package of Five Brothers tobacco. In the latter place entry was made through a rear window.

NO MEETING OF BASEBALL MEN

The meeting of the directors of the Charleroi Baseball club and interested citizens which was to be held last evening in the Bank of Charleroi hall had to be postponed on account of the lack of attendance. There were only a few showed up, and it was impossible to call the meeting to order. It was then postponed until a later date.

It is the desire of the directors to get together with the "fans," before the twentieth of this month, on account of the meeting of the league on the latter date at Uniontown. The purpose of the convention is to learn what plans can be made for basing in Charleroi this year, and make preparations for the league meeting. Another meeting will probably be called for Monday or Tuesday.

McGaughey.

C. L. McGaughey, train master at the West Brownsville Junction, P. R. R. and a well known figure along the Monongahela Valley died last night at 12:20 o'clock of liver and kidney complaint, of which he has been ill for a few weeks. He is survived by a wife, two sons and two daughters, one of the latter married and living in Homestead. He was a member of the Charleroi lodge of Elks. Funeral services will be held tonight at the late home in West Brownsville at 7 o'clock by the lodge.

New Building To Be Erected at Donora

At a meeting of the Donora school board to be held on Wednesday evening of next week plans will be decided upon for the new school building to be erected in that place in the near future, to accommodate the ever growing number of pupils. At present the schools of that place are overtaxed, and it is absolutely necessary that some arrangements be made to take care of the children.

A meeting was held by the board on Wednesday evening of this week

and the matter briefly discussed. It was found that a building of at least ten rooms would be needed. Architect J. C. Breton of Charleroi and A. P. Cooper of Uniontown were present and submitted plans of other buildings of this district. It is probable that a structure something on the order of one of the Charleroi buildings will be erected. The cost will be in the neighborhood of \$40,000, there being a bond issue to secure this amount.

WAS AT SUIT OF SMITH, HIMSELF A COUNCILMAN

Condition of Hillman Street Is The Cause of Trouble; It Being Claimed That Highway Was In a Terrible Condition.

Information was made yesterday before Alderman E. N. Dunlap, of Washington, charging all of the Councilmen of Monongahela with maintaining a nuisance and failure to repair Hillman street in this city. The warrants were given to the constable and it was served on the city fathers this evening.

E. E. Cummings, the Washington constable, makes the information on information received and believed to be true and states in his allegations that Hillman street is one of the streets of the city and that although the councilmen are regularly elected by the voters of the city and under their oaths are in duty bound to keep the streets in good condition, they wholly failed to do so and that Hillman street "has been allowed and suffered to become impassable, muddy, rough, broken and obstructed."

The street has been the subject of much discussion in the city Councils and the city been compelled to pay damages on several occasions. The street committee has been ordered to fix the street several times, but have failed to do so it is alleged. The bond of the Councilmen have been fixed at \$100.00 each and they are expected to go before one of the Monongahela aldermen and waive a hearing and give bail for the February term of the criminal court.

Following are the members of council, all of whom are named in the indictment: First ward—William Isaacs, John Smith, John Brody and Joe Messer; Second ward—H. K. Bentley, Frank E. Yabe, Jr., Theodore Landefeld, president of council, and W. A. Caldwell; Third ward—Frank E. Culvin, William Stephen, Mac Connor and H. D. N. Loutitt.

FIRST NIGHT OF VAUDEVILLE SHOW

Heaton and Vandergould's show will be produced at the Turner hall tonight, and tomorrow night. These two as every one knows are talented performers, and cannot fail but to take in their particular lines of work. Mr. Heaton will balance an entire bed room set, and Mr. Vandergould will besides his usual tricks have a mind reading act, and will escape from a casket. Harry Sait will appear with them and the Brown family of Pittsburg be here with their musical act.

Notice.
There has been a report circulated that I have withdrawn in the race for the Republican nomination for Burgess. This report I wish to deny and state that I will be a candidate until the finish and respectfully solicit the support of all. If elected I will give the office my very best attention and if defeated will take it gracefully and thank all for the support given me. 12311

GOOD NUMBER OUT TO SERVICE

A large congregation was in attendance at the First Christian church last night, to hear the pastor speak on the theme, "What Must I do to be Lost."

Mr. Hunter, sang a very impressive solo, and the chorists sang grand. When the invitation was given, five came forward to make the confession and one united with the congregation by statement. From the splendid attendance notwithstanding the fearful weather conditions, and the rainy season, on the part of all, we anticipate a great meeting.

MARRIAGE LICENSE WAS RETURNED

A marriage license was returned to the clerk of court's office yesterday from Charleroi. It had been issued but recently. There was no letter accompanying the license to tell why it was returned. A note attached said "marriage dissolved by death of Joseph C. H. H. H."

The license had not been used, and whether that note meant that the woman C. H. H. had intended to wed and died, cannot be told. It is at least noted that it was not used. The parties were Joseph C. H. H. and Alva H. H. Their residence was given as Wilkes-Barre, Pa.

Sparkling Cash

No matter how dead broke a man may be, if he has on his finger or in his pocket a sparkling diamond, he has the open sesame to quick money; that's why a diamond is such a good investment. To make good investments requires good advice; oftentimes expert advice; and that is why it will pay you to buy from a reputable house of this kind. You may think you are "getting a stone cheap" by buying from one with no reputation to sustain, but nine times out of ten you will have a stone cheaper to come here. A single imperfection in a diamond often makes not visible to the naked eye, makes many dollars difference in its value. We tell you exactly what you get—guarantee it. From \$5 to \$500.

Charleroi people should feel much
interested in the hospital movement
at Monessen, for which a location was
sold recently. It is to be a hospital not
for Monessen alone but Charleroi as
well and people of this place can be
treated there. It is sort of a two-
town affair with Monessen given the
advantage on account of most of the
backers being men of that place, who
consider that it is a more central
point for all whom it will benefit
than Charleroi. The claims made
that people from Charleroi, and other
places along this side of the river
can go to Monessen very easily, much
more so than residents on the east
side of the river could come to Char-
leroi. It makes no difference where
it is to be located, the motive is the
same, a desire to do some good, and
have a place where the injured and
sick can be taken without a rough and
wearisome journey to Monongahela or
at the most Pittsburgh. Good physi-
cians will be placed in charge, and it
is the intention to make it one of the
best hospitals along the Monongahela
valley. For this however it will take
money and this has to be raised by
popular subscriptions. In such a
worthy movement there should be no
trouble however.

FOR TAX COLLECTOR Of Charleroi G. W. Dawson

Subject to the decision of the
Republican voters at the
primary election Saturday,
January 23, 1909

G. W. Dawson, who seeks the Republican nomination for
tax collector for the Borough of Charleroi, has had a business
career which amply qualifies him for the position. He served
three years as clerk on the packet line between Pittsburgh and
Morgantown, after which he was promoted to general agent at
the Pittsburgh offices. He filed this position two years and was
again promoted, this time to superintendent of the line. After
a year's service in this capacity he was obliged to give up in-
door work on account of failing health. For the past three
years he has been located in Charleroi, where his family resided.
Mr. Dawson has always been a Republican and worked
for the interests of the party and good citizenship. If nomi-
nated and elected he can give his exclusive time to the duties
of the office, and is fully equipped to administer it in the in-
terests of the borough and all concerned.

longer a "Fire alarm," he is a false
alarm.

A Cleveland court declares it is per-
fectly legal for a girl to sit on her
beau's knee. We should say it is.

One hundred and twenty-five
Chicago men have formed an Equal
Suffrage Club. This is a pretty
severe reflection on Chicago.

We could bear some judicious mo-
lestation with the middleman's privi-
lege of withholding eggs for weary
months from market until the price is
right and the eggs are wrong.

It is singular how anxious a man
is to hide a scandal in his family
until he has committed a homicide,
and how anxious he is to rattle the
bones of the skeleton after the kill-
ing.

The announcement that Jim Jeffries
has gone into light training reminds
us of the fact that J. Johnson con-
tinues his course of dark training.

Thomas Fortune Ryan retires from
the ring with the reputation of having
made more real money out of other
people's money than any man in the
game.

An Illinois pastor, recently de-
ceased, made his cook the beneficiary
of a \$3,000 life insurance policy. If
she was a good cook she deserves her
good fortune.

"The trouble is that too many men
hold their wives as chattels," says
an eastern professor. No; the trouble
is that too many men are unable to
hold their wives, either as chattels
or any other way.

When the girl you have kissed gets
angry, maybe it is because you have
made a botch of the job.

Candidly, Gawge, don't you think

that a man who can be trusted to
superintend a \$25,000 job for the city
isn't likely to commit petty larceny?

Morning paper says Pittsburg
Democrats will "try to unite on one
man for mayor." Now how the
deuce could they unite on a larger
number?

Some persons explain the erratic
character of Edgar Allan Poe, whose
commemoration is about due, by
uniting his birth in Boston with a
Virginia pedigree.

The project to convey natural gas

A Polo Team.

The question of placing a polo team
in Charleroi is being discussed by
people of this place and there are
efforts being made by the manager of
one of the best teams in the West
Penn Polo league to complete arrange-
ment with the Charleroi Amusement
company to bring the team from
Washington to this place which should
meet with great success. Polo is a
sport that takes wherever it is played,
and is intensely interesting. It is in
a way similar to hockey. Should the
team in question be brought to this
place and it is to be hoped that it
will, it is predicted that it will in
time become one of the best sports of
the town.

THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in that far-away country—Africa—especially the Congo district. It is caused by the bite of the tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, happy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and misery knows what else? Short of letting the tsetse fly bite us, we would do almost anything for relief. How can we prevent it? Mr. George Hayes, of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without result. I was recommended to try my camera. It helped me at once. I gave up a sleeping sickness and now I sleep soundly."

What you do for Mr. Hayes, it will do for every run-down, nervous and overworked person who cannot sleep. **PIPER BROS.**
